Reuben, we wish to send our condolences to you and your family. My father died on June 18, (the funeral was 6/23/14) and the burial is yet this Saturday (7/19/14) for family members from a long distance and even out of the country to be able to make it to say good-bye. Even though he was frail and with my mother in an assisted living facility, it still takes a lot of thought to process all that is involved. I assume everyone's name in your family started with "R" -- just like our kids' start with "A"! You maintained your slim physique in spite of her baking talents! Please know that we are remembering you and praying for your loss. Rich & Linda Lehman, St. John Mennonite, Pandora.
