She married her best friend, Alec Peter Bacon, on Mar. 4, 2000 and he survives along with their three sons Aidan Michael age 8, Ashton David age 5, and Andrew Forrest, 10 months, all of Upper Sandusky. “ I just found out about Anne's passing. I knew Anne when she worked at MedCorp - She used to come and see me at Bucyrus Hospital, and always had a bag of candy or something for me! She would sit and talk to me and we got to know each other. She loved her family so much, and was very proud of them! She was a beautiful woman, both inside and out, very kind and caring. I am so sorry for your loss. Cinda Kropka, Bucyrus OH

“ I met Anne when she came to work at the Mayor's Office as a summer intern. I remember thinking...Oh no I am in trouble, look at this girl, she is beautiful. I soon learned that not only was she beautiful outside but her inner beauty far exceeded her outer beauty. We became friends and I feel like I know her family although I have never met many of you. She let me into her world and I let her into mine down to Christmas Eve pizza and she even invited me a time or two. She spoke of Alec and how much she loved him and I was grateful to be at their wedding. Eventually Anne and Alec moved away. Anne always wanted to live in a big city. She later told me that she was at the pentagon on 9/11 and was frantic about finding Alec and that was the day she decided that she wanted to move back and that David would ultimately get his wish to have his family all close to him. Last month I message Anne looking for her help to find a job for a friend of mine. In typical Anne fashion she was back to me in 10 minutes with a name. As I was thanking her and telling her how adorable her kids were she sent this reply.....Anytime for you!!! Happy to help thank you- I'm so grateful to have a houseful of chaos and fun! They are amazing individuals! Above all Anne loved her family!! I will miss her terribly and I cannot imagine your pain. Linda Stansbery
