“ Son James and I send our condolences. We pray that God brings His Greatest Comfort and Peace to the family and friends, and wraps you all in His Love and Hope and Grace.

We remember Jack from the McKinley Family Reunions years ago. He was so wonderful with the little kids. He would take them to see the fire engines and try on some firemen clothes — really gave them a HAPPY experience! One of our favorite photos from James II's childhood is that photo of him on the step of the fire engine with the fireman's helmet on... We appreciate Jack so much for gifting him with that precious experience, as he did for all of the other McKinley relations, too.

We remember Jack as a good man, and know he will be greatly missed. Someday we will see him once again in Heaven when we also cross the divide. In the meantime, may we all hold onto our wonderful memories, and Praise God for the gift Jack's presence in our lives.

Praying for God's Abundant Blessings, Comfort, Peace, and Grace to shower family and friends.

With Love,

Stephanie Rowland
& James II

“ The lights in Forest will be a little bit dimmer now that Jack Cramer is no longer among us. His love for, and dedication to, the Forest community will be remembered far longer than these words. He was a dedicated servant to both his nation and Forest and we are all poorer for his passing but also richer for his being here for the time he was with us. My thoughts and prayers to all of the Cramer family, to the citizens of Forest, and to all who mourn the passing of this good man.

“ Martha and Family :
You have our sympathy on Jack's passing . I have many memories of Jack asking me to join the Fire Department. Fun we had at times, other things we would try to forget. Jack racing to help any and every one. Dedication, Friend, Jack would say what he thought was right. What should I say, I will miss you and say Thank You Friend.

“ Years ago Jack was seen around town all the time. He had a habit of slowly walking across the street and oncoming cars would need to slow down, but with Jack, it was no problem. He would always raise his hand and with a wide smile, yell out "Hello, how ya doing?" And in our thoughts we knew it was okay as long as it was Jack!
