“ To the family of Mary and Dale,  
Our thoughts and prayers are with you all at this very sad time. We know that you know what wonderful parents you were blessed to have, but we want you to know that they were special friends to a lot of people. They were so caring, always willing to share and help wherever needed, always protecting the unborn, always giving smiles and kind words, and always being an example of God's love in this world. May you find peace and comfort in all the memories you have made through the years. A Mass will be said at St. Peter's for them both. Love and Hugs, Ken & Teresa Stark

“ I was so shocked to hear of Mary's and Dale's sudden unexpected passing. The past couple of days I've been flooded with memories of our childhood. Of overnights, her parents always so welcoming, giggles when we went to bed, always sitting on the bus together talking about the events of the day. Even to this past winter texting back and forth about our projects to get us through the long endless winter. She was a lovely person, so filled with an enduring faith and a love of God that is evidenced by her life activities and love of her family and especially her husband. Rest in peace, Mary

“ Sending our thoughts and prayers to the family during this difficult time. I knew Mary through the DAR - she was such a sweet woman who did so much for the organization. She sent the most beautiful letters and had beautiful handwriting. I am very sorry she and her husband have been taken too soon. They will never be forgotten. Love, Jenny (Sanderson) McKeigue

“ Mary Ann and Dale hold a special place in the hearts of the Smith family. Mary Ann kept a log of attendance and family stats of all the reunions held on Labor Day. Sometimes she had a project or a cause which all the cousins were glad to help with. Mary and Dale faced life and it's challenges with a deep love of the Lord and family. Jean and Bob Hunter

“

Mary,

I can not tell you how heart wrenching it is to have you snatched from ours lives. What a wonderful and dedicated wife and caregiver you were to our brother, Dale. He would have never lived as long as he did without you. We are all so thankful to you. We were all sort of prepared to let Dale go, but not you. As a mother and grandmother, you are hard to beat. Your children and grandchildren adore you. We are so thankful that you were our family photographer at our family gatherings for so many years, and we will have all those photos as treasures to remember you by. Thank you for all your years of work in the Right to Life battle. Your green thumb and love of flowers is breathe taking in photos posted. Dale worked to protect the earth and you helped to make it beautiful. It is hard to end this note and say goodbye because I feel there was so much more that could have been. But as I posted on Dale's tribute, We loved you yesterday, we love you today, and we will love you forever.
