“ My thoughts and prayers are with Frank and all of their family at this time. I was a classmate with Phyllis all of the 12 years of school together. We were always friends and enjoyed our times together. I went to slumber parties at her house and she stay at the slumber parties at my house. We went on double dates with the guys together and was really great friends. She was always so good and nice to me and when I went to our class reunions we always found each other and made time to talk and catch up on how our family news. My husband Kenny knew Frank from going to school with him and they enjoy talking together too. We will sadly miss Phyllis and getting to talk and be with her in the future. She was such a special person and will be greatly miss by all of her family and friends. I was so blessed and thankful to be her classmate and a true friend.
