“ To my dear family,  
My heart breaks for all of you. My Uncle Homer was one of a kind. I remember as a young child being so excited and grown up sitting in an old truck that had a steering wheel that we could turn and pretend we were driving. I love you all very much.  
There will never be another Uncle Homer.

“ Sheila, Bon & Bill,  
I know this hard. I know you are strong, even though I also know you could be the strongest person on earth and the pain is still heart wrenching. Lean on each other, lean on Faith. As hard as it is to know he is no longer here on Earth with us, I know who he is with. Jana got to see her Uncle Homer. He is in such good company and with a smile and pain free..I am trying my best to cling to that.  
I wish I was here for you all. Please know my prayers are non-stop, hoping it helps get you through this painful time. I love you all.
