We became fast friends immediately upon meeting that sunny day on the porch of Nicky's house on Smith Street. I loved you instantly and you felt the same. Our friendship was special to me and you meant a great deal to me. I will miss our time spent together even though they were few over the years they were non-the-less wonderful when were able to meet. I love you and I will miss you. Love, Susan Norris Paul

Mom you are one in a million. You were always there for us growing up, and ever as adults you still took care of us. I am lost without you. One day we will be together again. I love you with all my heart and soul. You will live on forever in our hearts and minds. This is not the end of the road, just the beginning. Love your daughter Tammy Bayes McCloud
