“ My thoughts are with your family. Allen was always good to me and my kids. I remember us fondly arguing about school teachers working in the summer and taking jobs of other people. I also appreciated the fact that he expected young kids to be taught to behave. I am proud that Clint named his son after his grandpa. Shirley, mom said to let you know she is thinking of you also. Take care and if I can help out in any way please let me know. Sherry and Myrl Pash##imported-begin##Sherry Pash##imported-end##
