“ Claire and family,
I am so sorry for your loss. I watched the video. Claire, I know we've not seen each other since we graduated high school, but my heart goes out to you and your family. I can tell, by the video, that you raised a fine, upstanding, good looking son.
Also, I did not realize you had lost your wife, at such a young age. It couldn't have been easy, being a single father, but obviously you did a very good job.
I lost my husband a couple of months ago. Life sure can throw us some twists and curves, can't it? But I have faith that you will pull through this, with the love and friendships your surrounded with. As I hope to do, too.
Take care, and please accept my deepest sympathy. 1978 seems like it was yesterday, until we actually sit down and evaluate where we are, and where we've been.
Take care. God Bless.
