

## Andrew F Koehler

January 11, 1950 - July 20, 2017

Andrew F Koehler age 67 of Upper Sandusky, died surrounded by family on Thurs. July 20, 2017 at his residence. He was born in Tiffin on Jan. 11, 1950 to Raymond F. and Mary E. (Finley) Koehler. He married Brenda K. (Von Stein) Koehler on November 3, 1973 and she survives in Upper Sandusky.

Mr. Koehler is also survived by his daughters Stephanie (Martin) Lamp, Lewis Center, Rachel (Jorge) Chiu-Koehler, Westerville, two grandsons Andrew Lawrence Lamp, Mitchell Koehler Lamp, of Lewis Center, brother David Koehler (Cindi Englefield), Dublin, nieces and nephews and great nieces and nephews.

Mr. Koehler grew up in the First Presbyterian Church and later became an active member of St. Paul Lutheran Church. He sang tenor in the church choir and served on church council. Andy enjoyed cooking bratwurst for the church Oktoberfest.

Mr. Koehler graduated from Upper Sandusky High School in 1968 where he was a varsity basketball player. After graduation he played basketball as a freshman at Butler University where he also was a member of LXA Lambda Chi Alpha Fraternity. He graduated from Ohio Northern University Pharmacy School.

Andy worked at the family pharmacy at the age 14 where he received his first pay check. He was a pharmacist/owner of the Koehler Drug Company where he served the community for 53 years. After 80 years Koehler Drug Company will continue to be operated by the family. Professionally, he was a member of the OPHA and APHA. He was a former board member of Angeline Industries, and a member of BPOE #83 Elks.

He enjoyed vacations with family and golfing with friends at Hilton Head, SC. Andy was an avid OSU Buckeye Fan where on Saturday afternoon the family would gather at the shoe. The family also attended Skull Session and listened to his brother announce for the best damn band in the land.

What was most valued to Andy was his family and serving the community. Andy was so occupied that you would see him mowing his lawn in his dress pants, white shirt and tie.

Andy was a true hero. He worked for decades in his family-run pharmacy, keeping people employed and residents feeling loved and cared for. He took personal responsibility in taking care of his community and his neighbors. He built his business on kindness and trust. His rock solid faith in a loving God was one we should all strive to attain and his love for his family was boundless. He was the kindest, funniest and sweetest man we knew. A true hero.

A funeral service will be held Mon. July 24 at 11:00 AM at St. Paul Lutheran Church with Pastor Joe Trester officiating. Visitation will be held from 1-6 PM on Sun. July 23 at the funeral home and from 9:30-11 AM on Mon. July 24 at the church. Andy will be interred on the family plot beside his mother at Oak Hill Cemetery at a private family burial. Memorial donations may be made to St. Paul Lutheran Church, First Presbyterian Church, Andy Koehler Medical Scholarship Fund, or the charity of the donor's choice in care of Bringman

“MISS Brenda, I am so going to miss him. I loved him so much. He was an inspiration to me. It will never be they same. I was sitting on my porch the morning he passed and i saw a tree on the neighbors yard that it looked like it was waving at me. I'm sure it was Andy saying good bye . Big hugs and lots of prayers for you and your family

“Brenda, I cannot begin to fathom the loss of your husband, friend, and life-partner. I have such fond memories of Andy at the store and the many prescriptions he filled. His kindness was especially shown when he was working with his dad who was really past the age of working there. He always had a smile, a laugh, and his presence filled a room. I've never met a nicer person. It's been few years since I moved from Upper Sandusky, but his memory lives on.

“I recently stopped at Koehler's to see Andy. Brenda said that he'd had a rough night. "I'll call him and tell him, you're here" Brenda said. "Tell Charlie to come on over" Andy said. We had an awesome visit that day. Andy told me that he was going to give it a go. "If I beat it, I win." If I don't, I know where I'm going!" One of the last things I said to him was: "You are one of the good guys." He was the best; His loss can't be described.....Andy and I were classmates and friends. Chuck Roszman

*When my brothers and I would come thru Upper, we would stop in to see Andy to say hello. He was always so gracious to see us, his cousins, and would always take the time to visit with us. What an OSU fan he was - and would take the time to give us a tour of his OSU gift shop as he knew that I was a big fan too. Rest well in the arms of Jesus and I know that you will be cheering our team from above.*

“ *What a great picture of Andy! I cannot think of him without seeing that big smile. I will always remember him saying just the right thing in a very tight basketball game when he was a sophomore. Upper was leading by two over Bellevue. As the team came over for a timeout, Andy, with that big smile, says, "Relax, Coach, we've got this!" I've never forgotten that. That was Andy. “ So sorry to hear of Andy's passing. What a great guy he was and will be missed. Was always grateful and thankful to him for going above and beyond for his customers. When we needed to have a special med in order to bring our premature daughter home from Toledo Hospital 30 years ago. I called Andy and he didn't have it but said bring her home, I'll find the medicine. Found out later he found the medicine in Columbus and drove down himself on a Saturday so we would be taken care of. What a special guy he was!

*I first met this special man when he transferred to ONU from Butler. I knew right away he was a man focused on always doing the right thing and caring for his family and his fellow man. We quickly formed a bond that was special to me and allowed him to be a role model to me even though the years have separated us. Andy was the soloist at my wedding in 1972 and even though he was stressed before hand, he sang with the voice of an angel....the voice that I'm sure he is using again today! We didn't have the contact through the years that those close to him were blessed with but with Andy it wouldn't matter if he saw you 20 years ago or 20 minutes as he treated everyone as a friend. My prayers are for the family and those closest to him as I know he leaves a hole that can only be filled by God's Grace and peace.*
