“ Don, Carol and Family
Dont know what to say in a time like this. I read the short obituarie the first day. As unfair as it may seem, I prayed to god that it not be your Andy. But picked up the paper the next day and seen that my prayers were not answered. I still pray for you and your family. Just got back from Detroit with family from all over in for the holiday. I will see you as soon as things clear up for you.
My thoughts are with you at this time.
