“ Mrs. Roberts was so kind when I was at South School! She was the best secretary, really took time to treat each child like her own. She definitely set an example to us on how to be a good adult.

“ It’s been almost 50 years, but I still remember how kind Mrs. Roberts was to us children at South. When we were sick we would lay on a cot in the little room beside her until we could go home, and she’d be our nurse. When we were a little behind in reading, she took us as a group for special story time. She filled so many roles in our young lives. My condolences to you. She was a beautiful person.

“ My memories are vast as I view them in my mind going way back to childhood. Aunt Barb, Uncle Al, Chuck and Cathy were appendages of my life, shaping me as a child as our families were very close. I send prayers, good thoughts and most of all tears filled for the ones left here that will feel her absence greatly. Know you all are thought of daily. Love you, Kay
