“ *I'd never met Betty until I started work at KNRC. When I met her I thought she was adorable. When I found out that she was a Boecher I asked my mom (Teresa Haudenschild) about her. My mom told me that she had married my grandpa (Carol Boecher) bother. I would talk to her about me grandparents and me and my mom would go out to see her when I was not working. My mm and I saw her the hours before she pasted and I told her that I would be in the next day to take care of her.*
