“ My sympathies to the family. I had the honor of working with Betty back in the late '80's and early '90's, for Judge Hunter. She was a true peach. I will never forget her stories of swimming in the pond. She will always be a happy, fun memory.

“ My sincere sympathy to Sherri, Vicky and all my cousins up north. Some of my fondest memories include my mom, Aunt Betty and Aunt Ruth getting together when they were younger and full of life (with Uncle Bob following). As we get older may I say Well Done Aunt Betty you lived a long life. Thank you for all the e-mails and encouragement when I was taking care of my mom. You will be missed. With Love , Mary Winspear Nordyke and family

Remembrances:

It has been difficult to think of one instance or event to which I could tie my Aunt Betty. She was very much part of my whole childhood from the earliest time that I can remember through graduation from high school. She was a constant in those early years for a huge part of the happenings with Betty's own children, my cousins-Kandee, Vicky, and Shari-as we moved from one stage of growing up to another. My Mom, also Betty, and my aunt always seemed to be there for events, family gatherings, special occasions, and day to day activities so that our days moved seamlessly forward onto the next day's situations. I never thought of it special until later in life as I interacted with many different families in my career as an educator that the Grossman family unit personalized by my Aunt Betty was unique in its cohesion and support.

Later, I had the opportunity to witness my Aunt Betty just being there again when she was needed, especially during my dad's passing. She provided empathy and support both in actual substance and advising guidance for questions that I had of how best to handle those details of next steps to possible future settings.

I truly hope that she somehow knew that she was appreciated and admired by the Grossman boys as our special Aunt Betty.

“ We have fond memories of both Betty and Cleo ... we “traveled” the Masonic circuit with them for several years in Ohio Priory. They were both gracious people, who shared their love of God’s creation, and enjoyed encouraging those around them. We will be praying for all of you as you adjust to the loss of your mother and grandmother.
Blessings,
