“ Was one of many friends of Bettys at CBC. Have known her all the years she's been at CBC. Only visited her once when she was on sick leave and was living with a son in Tiffin. So guess we knew each other mostly through work. We hadnt worked on the same line for a long time. Did get to say goodbye at her retirement party. Wanted to send a card as she had given me her address. Guess we should use our time a little more wisely. Will surley miss my friend. Guess we share our lives with the people we spend our time with. God Be with they family at this time of sorry and may your spirit comfort give assurance to those of us left behind. God Bless!###imported-begin##Linda Digby###imported-end##
