My heart goes out to all the family of Beverly Brandeberry. I was my honor and priveledge to have had the opportunity to spend the last 1.5 years as one of her nurses. We had alot of laughs and shared much love. As hard as it is to let this dear one go, I trust our loving God has her in his arms right now and she is happy. She had the best most loving family and I will never forget any one of them. Love and prayers to all.
