“ This week I lost a Co-Worker, Friend .
Bev worked with me at the Home Depot and after the store closed and I retired and was living in Orlando. Bev came to Florida for a vacation with her dad, she was his caregiver & staying with other relatives up by the villages.
I picked Bev up & we went back to Orlando, I was so excited that she was able to see what we called the Turtle Dove 🏠 house and spend the night. In the morning we spent the entire day & night @ Epcot in Disney World 🌐
We ate Carmel Corn 🌽 & had a Magical Time.
So I'm at loss for any words but I sure will remember that wonderful Disney Trip.

“ *I have so many memories of Bev. But I will never forget listening to her and her sister Kathy giggle so loud together watching a favorite movie or show when we were in Florida. I would be in the other room trying to go to sleep and I would just smile listening to them. It was such a wonderful sound. I will miss her sooooo much! Can not wait see her again in Paradise where no one will ever be sick or die again.*
