“ WE have many fond memories of Bill and Helen from SADDLEBAG RESORT as we were neighbors there for 20 years. They made the best of every day and every situation. Although Bill was not the same after he lost his life's partner. We received a lovely thank you note from him after leaving a treat of venison at his doorstep before we left for home one year. Cherished memories of Helen and her many talents Especially needlepoint at which she excelled.##imported-begin##Dave&AnnamarieGraham##imported-end##
