“ Grandpa, I know that god took you to heaven so that you could become my angel to watch over me as I fight breast cancer. I miss you so and wish that you were here with us. I hope that you are not causing to much trouble in heaven. Keep a place for the rest of us, so that when it becomes our time we will be with you again. I feel you with me everyday when I am not well, like you are holding my hand and telling me that I will be ok. You are in my heart! I love and miss you..  
Love your grand-daughter,
