“ Bryan was such a kind person. He lived in our neighborhood when growing up and was always willing to help with whatever need you had. He and my mom became good friends thru the years. I am so thankful I was able to meet up with him again last year when I was having an online auction before moving to Sunbury, Ohio. He had such a passion for the museum and Overland Inn. He will be missed!

“ We always looked for Bryan at family reunions and then of course Walmart. He was always so warm and friendly. He brightened up the area around him. We will miss him at walmart and remember the stories he would tell. He was just like his mom. Her laughter was contagious too. I talked to him several times about faith and the love he had for God. No doubt he is walking the streets of Glory. Peace and love to Denice and Don. We don't always understand God's plan but in Bryan's words in Him we put our trust. God Bless those who mourn for him.
