“ Bryon was as close as I've ever had to a brother. Some of the greatest experiences in my life happened with him. I don't watch an Ohio State football game without thinking of him. We went to Woody Hayes's memorial service here in Columbus back in 1987 together. He was one of a kind. I was proud of the husband, father and grandfather he became. My thoughts and prayers to Lisa, Brandy, David and Kylie and their families, as well as Barb, Brad and Carrie. The world is poorer without him in it. God bless the memory of Bryon Butler and may He comfort and strengthen all who mourn Bryon's passing.
