“ Candy was an awesome teacher. She was always so calm. She had great ideas for use in the classroom. She loved to share ideas and try new things.

I remember when she moved up to Lead Teacher and her first year of having mostly 3 year olds (a different pace than the 4-5s)

She will be greatly missed by all the lives she has touched.

“ I have worked around Candace for the past three years all though she was in one of Upper Sandusky's classroom and I was in Carey's classroom. She always made me feel welcome in their workroom and always shorter ways to do things. She was always willing to share ideas when I couldn't find something to do in the classroom. She will be really missed but she is in a better place where she can teach all the children in the heavens.

“ Candy changed so many families lives for the better. She gave her heart each day and wanted the best for everyone. Her compassion shown through her actions and words and she will be missed so much by the people she touched. I as one of her Head Start family am crushed with her passing. She was my mentor and my friend. My thoughts go out to Candy's family.
