“ So sorry to discover the passing of Carol. We went through grade school, middle school and high school together as classmates. We graduated together in 1967 along with Dennis Livingston. We hadn't stayed in contact with one another since graduating but I have many childhood and youth memories and always thought Carol was one of the sweetest girls I knew from Forest. Sending my deepest sympathy to Dennis and her children and grandchildren. Know such a special person will be deeply missed. Kay (Tuttle) Hendricks

“ Both myself and my husband, Jim, graduated with Carol in the Riverdale class of 1967. Our paths would cross many different times over the years, class reunions, Forest festivals, etc. The times I most remember were when Denny and Carol visited Hardin Hills in Kenton to lead a worship service for the residents. My mother-in-law was one of the residents at the time and she always looked forward to these services. Carol always played music on the piano for the residents, always had a smile for them and kind words. Carol will be truly missed. Rest in peace, dear friend and fellow classmate.
