“ So sorry for your loss. Carol was my first playdate in Upper Sandusky. I could go to her grandmother's house across from our house on 8th street. She taught me how to make pot jersey holders. We sidewalk roller skated together. She will be missed.

“ Our hearts are deeply saddened by the loss of our friend and neighbor. A bright light of our little neighborhood has been extinguished way too soon. Our sincerest condolences to her dear, sweet family with the hope that they can move ever forward with their deep faith and everlasting memories of times past. The Lord has a new partner to help watch over us. Search the heavens for their watchful eyes (and golf cart). Goodbye for now Dear Friend Carol, we shall miss you terribly.
