“ To Carol's family, Dan, Nick, and Ashley, Cherish her smile, her laughter, her wisdom, and all the happy memories you have. She loved you all so very much and has left a great legacy for you to always reflect upon. Carol was so kind and such a brilliant co-worker. I loved having her on various committees with me at BVH. May you all feel God's love surround you during this time and in the days ahead. Love and blessings being sent you way, Luann & Doug Pever and family

“ *When we were in the 8th grade, I had rheumatic fever and was out of school for 6 weeks. Carol went to all my classes and got my homework for me and her and her grandfather would bring them to me so I could keep up with all my work. She was a special person and I will never forget her kindness. My thoughts and prayers are with her and her family.*

“ *I have not seen Carol since she was a little girl. I'm sure she remained the sweet, caring, fun-loving young lady that I knew then. So sorry to hear of her passing and offer my condolences to her family. Praying for comfort for them at this time as they will surely miss her but know that they will see her again. Thinking of you, Harry and Marilyn and wish I could be with you. God Bless you, Nadine G. Garrett from VA*
