“ I am sorry to hear of Carol's passing. We served on the Harco Non Profit Board many years ago and rode the bus together many years ago. She was a sweet caring person.

“ I grew up at 416 east Dixon street, right beside Carol. I always liked her and remember her taking us to the dairy queen and watching her fish aquarium and the little guppies. Mickey and i were close in age, and their dog cocoa bit me many times...my guess is that i deserved it!! So sorry to hear of her passing.

“ Carol always shared a smile and a laugh even when she didn't feel well. I will come see you at Old Mission over the years and say hello and I will see you in heaven. We can giggle and laugh and dance and sing in our little mansions with flowers. You are a women of whom I admire and I look forward to seeing you again. Betty Lok

Chuck and Bob,
You know already your Mom adored you and she spoke of a deep and abiding love for her husband and family. Everything is going to be ok.

“ I ran into Carol at Walmart a couple of weeks ago, the first time I'd seen her in a few years. We had a very nice visit and she looked so good and it was so good to see her and catch up. This make me so sad, my heart aches so for all of you. Hold each other tight and keep the good memories alive as I'm sure there are many. Hugs for you all and prayers for your comfort.

“ James, Valerie, Chuck and Bob all my sympathies go out to you. Carol was a wonderful friend, a loving mother and a very caring grandmother. Carol was usually a fairly quiet one but when she had something to say it was of great value. Carol and I worked through many many situations over the years and I had the utmost respect for her. I will miss her greatly!
