“ *I was the Speech Therapy Student who saw Carole after her first stroke at UTMC. Carole and her family were so nice and optimistic about her recovery. I enjoyed helping her and getting to know her and her family. I am still in shock about what happened. I only knew Carole for a short time but she will always have a place in my heart.*

“ Dennis and family,
I was so sad to hear of Carole's passing. I remember fondly growing up across the road from Uncle Louie, Aunt Ruth, Donald, and you! I remember well when you and Carole were married and built the house down the road from us on the "S" curve. Dad spoke often of Carole, Diane, and Andrea, especially when he was selling his crops! You were very special to Dad, too! He always had good things to say about his cousins! I pray God softens your grief and replaces it quickly with happy memories.
