“ Expressing our deepest sympathy to all of you. Carolyn made a delicious apple salad, and was kind enough to share her recipe with us. 😊. Wish we could have enjoyed a piece of her peanut butter pie! May you all feel God's peace, which passes all understanding

“ With too many years and memories to count, we are sad to say good-bye. With Carolyn we share a most beautiful group of wonderful grandchildren, the light of her life and ours. She will be remembered for her generosity and her deep devotion to her family, of course the cookies and the huge Thanksgiving dinners. She will be missed; remembered fondly with a smile, by anyone whose life she touched. All of the Walton family will remain in our hearts and prayers.

“ Sympathy to the families. Carolyn and Harry were such great neighbors while I was growing up and then continued being great neighbors when Dan and I built our house and lived in the same neighborhood as I did growing up. Many memories of them both. So sorry to hear of Carolyn’s passing. Such a wonderful person... a great loss to many
