You were the funny kid, and the sweet one, too! Love, see you later!

“ God's ways are mysterious.

You may not understand this pain and loss. You may question why your father and brother are gone. But I hope you find comfort in knowing God's way is perfect. May God in his tender mercy lighten the burdens of your sorrow.

It was a privilege and honor to spend time with Bill these last three years. He had a great sense of humor. He made me laugh and he made me mad at times. But that was Bill. I know he loved his family.

I will miss him.

With deepest sympathy
