“ *Chuck purchased Richardson's Flower's from my mom many, many years ago and that is how I got to know him. He was always so kind and friendly. Even as I became an adult when he still had Richardson's Flower's I could stop in on my visits back home and get whatever I needed anytime. He always made it seem like we had just talk days before and it was years in between.*

“ I had the joy of working with Chuck for over 3 years at the Council on Aging. He had an infectious laugh, was quick witted, and was always up to teasing other staff.

He will be greatly missed.

I want to Praise God for the days and years of Chuck's life that I knew him.

Chuck was a gifted florist -- and God needed Him to help build this beautiful paradise!

He has called Chuck to come to the Garden, to walk with him, talk him, and tarry there.

Bless his memory. Forever grateful for you, my friend.
