What a beautiful tribute to Cherie and her Family. We, the Virgil Kuenzli family, have great memories of visiting Ronnie, Cherie, Gary, Sharon, and Ginny on their farm, riding the ponies (well, that was me), Cherie patching me up AFTER riding the ponies, family reunions, playing in the hay barn, getting in trouble for playing in the hay barn (me). We all loved eating Cherie's dinners and desserts like her famous Cowboy cookies, whose recipe I still have. Later, only on the Huffman farm, driving the Scout, and then driving the tractor while in college (me again). I think out of the four Kuenzli siblings, I had the most fun at the Huffman farm. Later, Cherie and Virginia visited Steve and I in San Diego, and Cherie visited us again on her own, always staying in touch. Cherie was a wonderful person and we will miss her. Our thoughts and prayers are with her family in this time of loss.

“*I just found out that your mother passed away and I am sincerely sorry. Your family and ours have known each other ever since we move beside Ronnie's father and mother's house. I went to school with Gary from elementary and graduated with him. Our families knew each other very well. Cheri was a very loving and caring neighbor to have even up to my mother's death in April. She came to give her condolences and food. She thought of others before herself. I will truly miss her. I wish I could have given my condolences to Gary, Sharon, and Virginia in person since we have all watch each other grow up and start our own lives. She was a dear friend and a wonderful neighbor. I will be praying for all of you as you go on with your lives without her.*

“ We just heard this morning of Cherie's passing. Please accept our heartfelt condolences on your loss. We so enjoyed getting to spend some time with her when our Mom, Becky passed away a couple of years ago. It was nice going down memory lane with her and getting to see our cousins again.

Cherie will always be remembered so fondly by our family.
