I have known Clair for 40 years as a young man we were in awe at his physical size. As I grew to know Clair I came to realize his heart was just as big. Clair was a wonderful man and the world is a lesser place without him. RIP MY FRIEND

“ April and family.... we want to extend our sympathies to you and your family upon the death of your Daddy. Our hearts have been saddened for you upon hearing of Clair's passing. Please know our thoughts, prayers and love are with you during this most difficult time. We ran into your dad several times at breakfast at the Pilgrim. We always enjoyed speaking with him... and he spoke proudly and lovingly of his grandchildren. I believe Clair will be their guardian angel now and always. April, you have our deepest most caring sympathy.

“ I have known Clair for many years. I work at Menke Bros. And he hauled for us many, many times. We often talked about other things than work. Clair loved his family very much. He was so proud of them and spoke of them often. In my opinion, he never got over Sally and Andy passing away. In this very sad time, I have some peace in knowing that they are together again. I am going to miss his wise cracks for sure!

“ I was Clair's fourth grade teacher. By spending a school year with your students they become "a part of your family". It saddens me to read about the loss of one of them including Clair. The tribute pictures show the love he shared with all his family. Thank you for sharing them with me. May God provide the strength you all need at this time of loss. My prayers are with you.
