“ Families are precious  
I know this for a fact  
And when you lose a loved one  
It feels just like an attack

Loved ones are special  
I have many I should know  
But it seems like that when that time comes  
Is impossible to let them go

I have lost some loved ones  
from many different things  
I hate losing loved ones  
But its something that life brings

You try so hard to just hold on  
but in one small second  
another one is gone

Even though your not still with us  
our memories will still last  
and what keeps us going everyday  
is the memories of your past.

“ Mom, please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.

We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.

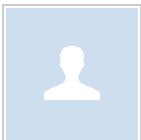

I haven't really left you  
Even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.

Just believe that when you say my name  
I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.

But I'll still send you messages  
And hope you understand,  
That when your time comes to “cross over,”  
I'll be there to take your hand.##imported-begin##Tammy
