“ *Connie Victoria Gunn was by far one of the strongest woman I know. She was always there for me my whole life whenever I needed her day or night. I have memories that stretch from childhood till the day she parted from our lives. She was truly one of my dearest friends and my closest family member. My heart goes out to my Aunt who i cherish with all my love. I know she is hurting and I wish everyday I could just hold her in my arms and let her know how much her daughter loved her. I hope that her children know they can always come to me, if they ever need anything I will always be here for them. I love you all.. Its beens just a two weeks now, but I miss you like crazy girl.. You were my rock and fortress and you got me through some rough times when you were dealing with even rougher ones yourself.. Your with your daughter and your husband and your favorite aunt now. I know that your happy. Watch over me I still need you and think of you every day. I will never take your number out my phone or heart.. I know your only a talk away.. Love your Cuz Laurie.....##imported-begin##Laurie L. E. Ball Twehues##imported-end##*
