“ Dear Debbie,

It has been many years since Riverdale. Maybe you don't even remember us, but we remember you. We didn't know your parents, but we are confident that they were wonderful loving people, just like you. We wanted to write and tell you how sorry we are in the loss of your parents, most recently your Dad.

God bless and comfort you and all the family,

Ron and Jean

“ Sharlene, I have shared my condolences with Deb by phone yesterday. We knew your mom and dad when Deb worked here in Greenville, SC.

It was so obvious that you two had great parents. And the relationship that you had all these years says so much about all of you. Deb spoke of the constant void left. They gave so much and now there is the legacy to continue. I am sure both of you will do just that.

I pray for peace of mind as you make these adjustments.
