My deepest condolences on the loss of your two boys. You are in
my prayers.*

“ *Even though we do not know each other, I am very sorry to hear of
the deaths of your twin baby boys. I believe there is no pain on
earth like that of losing a child, and yours must be doubled. My
husband & I lost our daughter Christina almost 3 years ago in a car
accident. We now are chapter leaders of The Compassionate
Friends, a support group for bereaved parents in Wyandot County.
You are in our prayers, that you will find strength and some comfort.*

*-Sincerely, Carol Minehart###imported-begin###Carol
