“ *I just learned today of Dale and Mary’s passing. I was fortunate to work about five years with Dale at the Wyandot SWCD office. No one had more credibility with our farmers or knew more about drainage work than Dale, and I learned so much from him. What a true gentleman! Mary was so kind, having me out to the farm for dinner - I recall trying to describe how to make piroghis- she was very patient.*

*My sincerest sympathies to all of the family.*

“ Dear Reinhart Family,  
We want to send our sincere sympathy on the loss of your parents. My mother, Rita (Frankart) Smith, and your Dad's mother were sisters. I actually worked with your Dad in the early 70s at Seneca Soil and Water. I have childhood memories from when our families would get together on Sunday afternoons and when I worked with him. I had a nice visit with him and your mother when your Uncle Floyd died. Your families are in our thoughts and prayers. Vic Jr and Jean Smith

“ *Patty, Carolyn and Judy,*

*Our hearts are so deeply saddened by the loss of your beloved brother and sister-in-law. Greg remembers going to their farm and Dale would tease him, saying that Greg would always be hugging & kissing Patty, calling them "kissing cousins!"*

*A day a few years ago we were at Bob Evans in Fostoria and Dale & Mary were eating there. He said, "Hey, don't I know you!?" and invited us to share a meal with them. What an enjoyable time that was, catching up and reminiscing!! Dale and Mary are two of the most kind souls that will be treasured and missed!!*

*Please know we are praying for all of you, and find comfort in the gift of family and friends to get you through this most difficult time.*

*May God's peace and love be with you,*

“ Andrew, Emily, Laura & family; our deepest sympathy on this sudden loss of your precious Dad & Mom. We pray that you will find some measure of comfort in the sovereignty of God, and by remembering the abilities and gifts that both your parents gave to you through their many years of devotion and loving care. Their memories will always be with you and Oh! how precious are they. I'll forever cherish the personal love and attention my Uncle Dale and Aunt Mary gave to me and my family whenever we were together. Their legacy to you now is your strong family. We love you, sincerely, Jeffrey Earl and family

“ I’m so sorry for the tragic loss of both Dale and Mary. Dale has been a member of the Marion Family YMCA class called Delay the Disease (for Parkinson’s) for many, many years. Dale and Mary were very caring, loving, gracious people and a blessing to everyone who encountered them. I will miss Dale’s C-130 stories and most of all the stories about his children and grandchildren. They will be sadly missed and live on in our hearts!

“ My memories of Dale go way back to grade school & high school when I would spend time with Carolyn, Patty & Judy on their farm. He & his brothers were usually hard at work, but Dale would always find time for his sisters. I remember him as very kind & happy. May God give you the strength to endure such a devastating loss. He & Mary will remain in our prayers.

“ My heart is broken in pieces over the loss of my beloved brother, Dale. He was always kind to me. When we grew up we did chores together. Dale told me, he remembers me, at age 4, standing on a stool washing dishes! Of course, he was drying them. I remember hanging clothes out on the line together, washing down walls, gathering eggs, etc.... Dale would entertain us, like swinging a full metal basket of eggs around in a circle, vertically, without breaking one egg. Dale would balance the end of a broom on his palm & do handstands, and so much more! When I was frightened, he would tell me to think happy thoughts. He always cheered me up! He was my big brother, & I cherished him.

*It is sad to lose my last brother. I will miss him always! His memory will always be in my heart! Good Bye my precious brother. I will love you always.*

“ Dale,  
Our hearts are broken. You were and are one of the sweetest and most wonderful brothers a person could have. Thank you for your service to our country, your love of this earth that you worked for over 40 years to protect. As a husband, father, brother, uncle, and friend you were hard to beat. You touched so many lives, especially your children and grandchildren in such a positive and loving way. You battled through so many years of health issues and never gave up. You were always so humble, helpful, and kind. The hole you leave will be almost impossible to fill, but we are so thankful we had you in our lives. We loved you yesterday, we love you today, and we will love you forever.
