“ It was only a couple of years ago three at the most that I was able to locate a friend that served in the 168 combat engineers with me. We struck a lasting friendship from day one. I worked in batallion supply and was in the motor pool a lot.

We would e-mail each other and share memories at times. Because of Dale I have a new friend Betty. My wife and I were hoping to find time this year to go visit him. It hurts when you find a lost friend and have him pass away not many years later.I feel very fortunate that we came to know each other for just a short time. God bless you Betty and may he comfort you at this time of need. Cliff and Millie Williams.

“ Betty,

I am so sorry to hear of Dale's passing. I know my grandfather (George Head) always thought very fondly of Dale, and my grandma mentions the two of you a lot, wondering how you've been doing. Please know that we are all thinking about you.

“ Dear Cramer Family,

My father, Bud Nutter, and I had the pleasure of working with Mr. Cramer at Cline Oldsmobile in Tiffin. I have many fond memories of talking sports and laughing with Dale. He was a truly kind man. May God bless you and heal your hearts in your time of mourning.
