“ Hey Girlfriend, If you had let me know I would have asked permission to go with you! I was so saddened this morning when I found out. A "memory" of you popped up on my Facebook, and I shared it with Trish and Steph. That's when Trish told me you passed.

I have way too many fond, funny, crazy memories of you to share in this forum but you know! I am glad that I got to see you at the doctor's office in Marion in July.

Adios my friend; we all hate to see you go.

Love and heartfelt sympathy to all the family.
