“ Dave worked for me when I first transferred to Ball Corporation's Columbus plant. He was a hard worker and gave it his all. He was always so appreciative if I was able to give him some assistance, or advice when he was a maintainer on the 603 Bliss press. I was very proud of him when he was promoted to supervisor. It shocked me to learn of his passing. He will surely be missed. My prayers and deepest sympathies go out to the family.

“ *David , you were taken too soon, but God has his plans . I met you when I was in 6th gr through Ron. Even tho I haven't seen you in a few years I can still hear your laughter & see your smile that you always had . You were a great coach to the girls , always telling them they did a great job whether they won or lost. I can remember you always wearing your KISS t-shirts & other heavy metal band shirts . The first time you heard they came out with Diet MT Dew you ran right to the stores to find it. You will be truly missed . The world lost a great guy! I'm blessed to have had you as a friend . I'm sure you & grandpa Frank will be doing some fishing . Condolences to the family .*

“ David my dear sweet friend, it seems like it was just yesterday we were in 7th grade. You got up in front of the glass and taught us about diabetes, insulin n how a snickers bar could help your condition.

That was one of the first experiences I had that made me want to learn more about medicine.

Now let us remember you and myself working at Forest Machine Shop. You driving the tow motor. You making fun of me running fr mice....
