“ *I am so sorry to hear of her passing. I remember being a kid and carrying out her groceries at IGA. She will never know it but she really showed me that it is ok to be brave and be yourself in a world that might tell you otherwise. Years later I came back and did a book signing and she came to the event. I don't know if I ever got to tell her that she had an impact on me, I just found out she passed, and it makes me sad. I wish her family the best, and thank you for honoring her memory the way she would have wanted. Steve Snyder-Hill*
