“ *Deb was more than just my supervisor at work for the last few
years, she was also my friend. As a supervisor, she sometimes had
to make decisions that were not very popular with those of us who
worked for her, but she always tried to make the right decision
without any personal bias. She was easy to talk to and had a great
sense of humor!
You will be sorely missed, Deb. Please enjoy your Heavenly reward;
you earned it!!*
