“ I wish we could be there with all of you. I am so grateful for the wonderful memories I have of Uncle Delbert. His kindness and love for others was evident to everyone in the way he lived his life. I will always cherish my last visit when Uncle Delbert went out of his way to get everyone together for me so I could see you and introduce my daughters to the family. He will be dearly missed. Please know that our love, thoughts, and prayers are with you.
