“ *Denny and I enjoyed each other's company in high school, though we went to different schools. I have many vivid memories of Denny. One is the leaping, nearly impossible catch he made of the line drive I had powered toward left center, robbing me of what had to be an extra-base hit. Another is his huge, warm smile. It was impossible not to be cheered by it - he lit everything up with it.*

*Our condolences to Denny's family, he is fondly remembered and will be missed.*

“ *Denny was part of my first golf league, at Lakeland Golf Course in Fostoria back in the 80's. Along with Toad Orians and Catfish Hunter. We had some fun times. I haven't seen him in a few years, but will always remember him. My thoughts are with you guys.*
