“ *Denny, there is once in a lifetime you meet someone who will change your life for the better and for Larry and me, you are that person. Never will you be replaced in our heart or in our life. You were a loving husband, a devoted Dad, the sweetest Grandpa any child could ever wish for, also a wonderful friend that you would do anything for, who else would drive ten hours to fix reserve in a boat. We could talk to you about anything and would listen and always make us feel better. You gave great advise, there will never be another man like you ever. We love you will miss you and Larry and I want you to know that you will be*

*Always on our mind &
Forever in our heart*

“ To have known Denny is an honor. Denny taught me so much about what the true meaning of love is within a family. I am extremely pleased that I had the opportunity to spend time with such an amazing man. There was not a thing that Denny could not “fix”, or make. Have so many good memories of our talks at the picnic table, you always listened even if I was not making any sense. Thank you so much for being in my life!
