“ When I was a little girl my uncle would come to visit with my grandparents. I'd see them pull in the drive and run to the porch and wait till he'd get out and run to him! (Why) gene would always have a pocket full of change he'd give my brother and I. As we'd be standing there watching him laugh over our excitement of a pocket full of change. He'd reach in his pocket and fill both our hands with change! ;) as my brother and I got older we got dollar bills! I have many memories, that's just one that will stick with me forever. I love and will miss u uncle gene! Give grandma, grandpa, and my mother a huge hug for me!

*Love your niece,  
Heather*
