“ *Oh Donna...looking back you make me smile...Linds and I would do the most ridiculous things, yes I thought connecting her freckles like a map was amusing...until we got to the Mall of America and there she stood with pen all over her 😂😂....but no matter what we did...all we got was that evil mom eye but then that smile that let us know we better be good and you loved us....I thank you for the life experience you and Jerry gave me. I sure will miss that smile. Love you....until I see you again.*
