“ *Dorine was a wonderful classy lady. I work in the activity department at the wcnh and I walked in the room she holds up her hand and says she wanted her nails painted. She wanted them painted pink and wanted country music played as we did this. It was an honor to provide her with this act of kindness and I will never forget her beautiful smile and how much her family loved her. Rest in peace my pretty lady.* ”

“ *Many fond memories of a lovely lady. Enjoyed visiting with her on many occasions and sharing extra food with her when my friend and I had extra. She and her husband, Charlie, were very special people to many residents that knew them. I was one of the lucky ones that bought one of his books telling of his experiences of a POW in WWII. What a life the 2 of them had. I am so thankful that I got to be a part of knowing them both and grew closer to Dorine after Charlie passed away. She will be missed not only by her family, but also by her many friends. Love you Dorine! Clarice 307*
