“ To Penny, Steve and Mike:
We were all good friends growing up. I have a lot of great memories of our families spending time together. I will miss knowing that I may never see you and your family again. It has been a lot of years since we've all been together. I am so sorry about Deanie. I know that Mom is really upset, though she tries to hide it. Deanie was her dearest friend and partner in crime. I am sorry that I am unable to attend the funeral. I wanted to come so badly, to see you all again and pay my respects. My grandson had his tonsules out today (Wednesday). I promised he could come and stay with me while he recuperates. This was already planned and something I could not get out of. Please feel free to contact me any time and please stay in touch. I have included my email address. God bless you all and know that you are in my prayers.

“ Deanie will always be special to me. I can still see in my mind she and I trying to dance to Jesse Dixon's music as he did. We had such fun with the music and she loved Jesse Dixon and I will think of Deanie whenever I hear him sing!
