“ I was a student in Mrs. Riddle's last year of teaching at Marseilles Elementary. She was strict, but I loved her... probably because of it! ❤️ She instilled a love of reading into me that has never waned. Looking back, I can see how much she loved teaching. On top of being my teacher, She was also one of my neighbors! I frequently rode my bike to visit her, LOL! She changed the lives of so many children in the world. I am blessed to be one of them. ❤️
